

# FLY ON THE WALL

## #3

- Manisha Gera Baswani

Dear Readers

I want to make this article interactive by putting in a fun puzzle.

I leave it to the reader to identify the artists featured in this article:  
Chintan Upadhyay, Masooma Syed, Sheila Makhijani, Karl Antao  
Manisha Gera Baswani and Vishal K Dar.

*ME AND I*

*I captured these shadows as the artists were in their wondrous Neverland. The shadows were like calming anchors as the artists chartered through a sea of creative storm. My shadow has been a sentient companion, nudging me when I am in doubt and silently nodding when I celebrate.*

*Here is an ode to this dear friend...*

*O' SILENT WALL*

*I walk past you  
O' silent wall  
Majestic mud  
Standing tall*

*And as light falls  
On glazed delight  
I ruminate over  
Fantasy, flight.*

*Hand in hand  
I walk with you  
Wading waters fresh  
Blazing trails anew*

*Everytime, I look at you  
Etched hues  
Of black, brown, grey  
Then a few*

*I touch upon truths  
Dive deep in-depth  
Of solitude, bliss  
Journeys afresh*

*My friend you are  
I trust you so  
O' shadow brown  
I hope you know*
